Saint Joseph Seminary College (SJSC) administers the Federal Pell Grant Program, Federal Direct Loans Program, and the State of Louisiana TOPS Scholarship Program.

All students who will be completing their first degree are encouraged to fill out the *Free Application for Federal Student Aid (FAFSA)* to determine which awards they are eligible for. The form may be completed online at fafsa.ed.gov. If you do not have access to the Internet or wish to discuss other options, please contact Mrs. Katie Reynolds for assistance.

The School code for SJSC is **002027**. You must enter this code on your FAFSA where it asks for the designated college that you will be attending. Once you have completed the FAFSA, you are asked to send an e-mail to Mrs. Katie Reynolds to let her know that it has been submitted.

The FAFSA should be submitted prior to your arrival on campus to allow for timely processing. It becomes available on October 1st each year for the upcoming academic year. You will receive notification via email once your FAFSA has been reviewed and your awards have been packaged. Any awards received will be applied directly to your student bill to cover tuition, room, and board charges. Remaining amounts will be issued in the form of a refund check to the student or to the parent (refunds to the parent are applicable only in the case of a Parent PLUS Loan).

Any scholarships, loans, or grants that students receive from private sources must be reported to the financial aid office in order to be added to your award package. Award packages may not exceed your annual cost of attendance. Cost of attendance will be listed on the award letter you receive once your aid is packaged.

Students must maintain satisfactory academic progress (maintenance of 2.0 cumulative GPA and completion of at least 24 credit hours each academic year) in order to maintain eligibility for federal aid.

A new FAFSA must be submitted each academic year.

Transfer students should notify Mrs. Katie Reynolds of any pre-existing federal student loans in order to request a loan deferment.
